**Subject:** I can't thank you enough

I cannot begin to thank you and your group enough for these awesome goodie bags and the one giant goodie box. I felt like Santa Claus going around with a black trash bag handing them out. The packages you all put together are the best. I figured taking pictures of the guys would be a good way for you to share with your group the happiness and full stomachs you provided. Knowing that you took time out of your day to put these bags together for us over here is really something special to hold in. I speak for everyone who received a bag in saying Thank You and These Are Awesome. Please let everyone know who helped that the time they took to put some goodies in a bag put a smile on a soldier's face over here in this hot and dusty hell hole (forgive my french). If it wouldn't be too much trouble the next time your group is together would you be able to take a picture and send that over. There is a spot on our shop wall reserved for the people who put together these awesome bags. Once again Thank You so much.

Sincerely,

Paul and the rest of the troopers of D Troop 7-17 CAV, Task Force Palehorse
