EARLY/TEMPORARY POWER RELEASE

The Village of North Palm Beach agrees to release power at: _____
 for Building Master Permit #: _____ for the purpose of testing items like
 air conditioning, refrigeration and lighting circuits with the following stipulations:

1. Contractor MUST pay \$100.00 fee prior to scheduling inspection.
 (*Commercial projects only)
2. No circuits will be left energized after all personnel have left the job without prior permission from this division.
3. All panels and disconnects not in use will be locked in the "OFF" position or fuses will be removed.
4. Nothing will be energized without prior permission of the electrical inspector.
5. The electrical equipment room will remain locked at all times with the key in the possession of the electrical contractor and/or the general contractor.
6. All other final inspections must be called for and passed within thirty (30) days.
7. No one is to occupy the building before the Certificate of Occupancy is issued.

Any violation of this agreement may result in the immediate termination of the electrical power without prior notification. This form requires the following signatures prior to the release of power:
