REQUEST FOR USE OF SPECIAL INSPECTOR

Date: _____ **Master Permit Number:** _____

Project Address: _____, North Palm Beach

Contractor Company Name: _____ Phone #: _____

Architect/Engineer Firm Name: _____ Phone #: _____

The above firm has been retained to perform special inspector services under the Florida Building Code at the project indicated above. The following individuals employed by this firm are authorized representatives to perform these inspections:

Name: _____ Fla. License Number: _____

Name: _____ Fla. License Number: _____

Name: _____ Fla. License Number: _____

- a) Authorized representatives of an Engineer or an engineering firm performing threshold inspections shall conform to Rule 61g15-30.004 of the F.A.C.
- b) Special inspectors performing building department required inspections shall conform to 2014 Florida Building Code Section 110.3.8.
- c) Approval of the individuals performing the actual inspections shall conform with Section 110.3.8 of the 2014 F.B.C.
- d) A list of all individuals performing actual inspections with their qualifications shall be furnished to the Building Department for approval.

I/we understand that a Special Inspection Log must be displayed in a convenient location on the site for reference by the Village of North Palm Beach. All mandatory inspections, as required of the Florida Building Code, to be performed by the Special Inspector(s) hired by the Owner are in addition to the mandatory inspections required by the Building Department. Further, upon completion of the work, I/we will submit the completed Special Inspection Log, and a sealed statement that, to the best of my/our knowledge, belief and professional judgment those portions outlined above meet the intent of the Florida Building Code and are in subsequent accordance with the approved plans. I/we hereby certify that the shoring being installed on an emergency basis is in compliance with the provisions of the Florida Building Code and in conformance with engineering standards.
