## Village buildings are open, but there are some changes to help fight COVID-19

Following guidelines of the U.S. Centers for Disease Control, the Village urges residents to wear facial coverings while in public places, to continue practicing social distancing, and to frequently wash hands for at least 20 seconds

Village employees are happy to provide great customer service, but because of coronavirus, we have some new requirements for doing business at Village offices:

1. While in the building, please remember to stay at least six feet from other people if possible.
  2. Upon entering, please sanitize hands with hand sanitizer provided.
  3. The Village recommends that you wear a facial covering when inside any Village facility.
  4. For additional protection, our employees will wear a mask while serving you.
- The annual fireworks show at the Country Club has been canceled
  - Residents should monitor the Village Facebook and Twitter pages for the latest updates about COVID-19 and the Village's response
  - **DON'T QUIT NOW:** The CDC and the Florida Department of Health urge all residents to continue every effort to limit the spread of COVID-19 by:
    - ✓ Limiting non essential outings
    - ✓ Continuing frequent hand washing
    - ✓ Covering the mouth and nose when sneezing or coughing
    - ✓ Staying at least six feet away from other people

*It's hurricane season. So visit [www.PrepareTheVillage.com](http://www.PrepareTheVillage.com) to learn how to be ready*

It's hurricane season. To help you plan, the Village has a webpage for Hurricane Preparedness and Recovery at:

**[www.PrepareTheVillage.com](http://www.PrepareTheVillage.com)**

On this page you will find links to resources from several agencies to help you stay safe in a storm, minimize damage and recover quickly.

The page also has a link to the Palm Beach County Hurricane Evacuation Zone look-up tool. If an evacuation is ordered, you would hear that "Zone A, B or C" should evacuate. You should know which you are in if an evacuation order is issued. Use the Evacuation Zone tool to see what Evacuation Zone you live in.

Any evacuation notices affecting Village residents will be posted on the Village website, as well as on the

Village Facebook and Twitter pages at @VillageNPB, and on Nextdoor.com.

Spending a little time now to familiarize yourself with the resources at [www.PrepareTheVillage.com](http://www.PrepareTheVillage.com) may help avoid problems later this summer if one or more storms threaten the South Florida area.

# Fireworks laws have changed, but caution still urged

Fireworks are normally illegal in Florida if they explode like a firecracker, or if they shoot into the air like a bottle rocket.

However, earlier this year, a new law was passed that now allows those fireworks on the following three holidays ONLY:

- New Year's Eve
- New Year's Day
- Independence Day (July 4th)

While the Village respects the new law and will comply with its requirements in every aspect, it is important for residents to be reminded of the dangerous nature of fireworks. Accordingly, the Village Police and Fire Departments urge anyone using fireworks to be extra cautious and to follow safety guidelines.

## Firearms

The new law affects fireworks only, not firearms, so it is still illegal to shoot a gun into the air for celebration on any day, and it is extremely dangerous. The law of gravity dictates that the bullets come down at the same speed as when they left the barrel of the gun.

And if a uniformed or undercover officer, or another citizen witnesses someone shooting a gun, that could lead to a dangerous confrontation or encounter.

## It's not worth the risk!

Village police officers and fire fighters do not want anyone to be hurt or arrested on July 4th this year, so please consider taking their advice seriously.

# Statistics from amateur fireworks use reveal potential dangers

The North Palm Beach Fire Rescue Department reminds you that fireworks can be dangerous.

The U.S. Consumer Product Safety Commission says there were 12,900 firework-related injuries for the year in 2017, with 67% occurring within the weeks surrounding July 4th. Children accounted for more than a third of those injuries.

According to the National Fire Protection Association, "fireworks start an average of 18,500 fires per year, including 1,300 structure fires, 300 vehicle fires, and 16,900 outside and other fires."

The Fire Department urges you to use care if you use fireworks this year and to follow these important safety tips:

- Use fireworks outdoors ONLY.
- Read and follow all instructions on fireworks.
- Obey all local laws when using fireworks.
- Closely supervise children.
- Only adults should ignite the fireworks.
- Always have a bucket of water or sand nearby.
- Alcohol and fireworks do not mix.
- Never try to reignite used or faulty fireworks.

Use fireworks safely or consider a safer option: public displays of fireworks conducted by trained professionals.

## Annual Village Fireworks Show Canceled

The annual Fourth of July Fireworks show at the Village Country Club has been canceled because of uncertainties created by COVID-19. A make-up date may be planned later this year if circumstances allow. If another date is scheduled, it will be posted on the Village website at [www.village-npb.org](http://www.village-npb.org), and on the Facebook and Twitter at @VillageNPB.

# Village budget document recognized for excellence

The Village Finance Department recently earned the Distinguished Budget Presentation Award from the Government Finance Officers Association.

The GFOA is an international accounting association that represents public finance officials in the United States and Canada and works to advance excellence in public finance.

The award is given to public agencies that demonstrate excellence in accounting techniques and transparency, and create an annual budget document that serves to advance the agency's mission and effectiveness.

The budget document is a tool that can be used to show citizens how the Village's financial decisions are aligned with priorities and strategic plans.

It is the 11th year in a row the budget document has earned the award, which signifies that taxpayer dollars are being managed by a team of professionals who follow industry best practices to account properly for public money.

The current Village budget as well as budgets for several past years can be found on the Finance Department's page of Village website at [www.village-npb.com](http://www.village-npb.com).
