Section V Vacation Rental Standards

Inspection by the Village to verify compliance with the requirements of the division may be required subsequent to the initial registration with the Village and annually after each renewal. Non-compliance with the requirements of this division discovered during any inspection shall be treated as a violation of the Village Code and be processed in accordance with Code Section 1-8, through the code enforcement process set forth in Chapter 2, Article VI of the Village Code of Ordinances, or any other manner authorized by law.

Note: Please initial each item below to confirm your acknowledgement of compliance:

Minimum life/safety requirements.

- Swimming Pool, spa, and hot tub safety.** A swimming pool, spa or hot tub shall comply with the current standards of the Residential Swimming Pool Safety Act, as set forth in Chapter 515, Florida Statutes (will be verified upon inspection).
- Smoke and carbon monoxide (CO) detection and notification system.** If an interconnected and hardwired smoke and carbon monoxide (CO) detection and notification system, is not in place within the vacation rental, then one such system, shall be required to be installed and maintained on a continuing basis consistent with the requirements of Section R314, Smoke Alarms, and Section R315, Carbon Monoxide Alarms, of the Florida Building Code - Residential.
- Fire extinguisher.** A portable, multi-purpose dry chemical 2A:10B:C fire extinguisher shall be installed, inspected and maintained in accordance with NFPA 10 on each floor/level of the dwelling unit. The extinguisher(s) shall be installed on the wall in an open common area or in an enclosed space with appropriate markings visibly showing the location.
- Battery powered emergency lighting of primary exit.** Battery powered emergency lighting which provides illumination automatically in the event of any interruption of normal lighting shall be provided for a period of not less than one hour to illuminate the primary exit.
- Emergency egress and maintenance.** Halls, entrances and stairways within a vacation rental

shall be clean and ventilated. Hall and stair runners shall be kept in good condition. Rails shall be installed on all stairways and around all porches and steps.

Additional requirements. In addition to the foregoing, all one and two family dwellings, recreational vehicles and mobile homes shall meet the requirements of Section 69A – 43.108 Florida Administrative Code, as amended.

Maximum occupancy.

Each vacation rental dwelling unit shall comply with the occupancy limitations set forth in the Property Maintenance Code referenced in Section 15-27 of this Code, provided, however, that in no event shall maximum occupancy of such dwelling unit exceed two persons per bedroom plus two additional persons.

Lease requirements.

There shall be a written or online lease, rental, tenant or other recorded agreement memorializing each vacation rental tenancy between the owner or responsible party and the occupant(s). The agreement shall, at minimum, contain the following information:

- Maximum number of occupants for the unit;
- Number of parking spaces associated with the vacation rental unit, if applicable, and the location of such spaces;
- Dates of such occupancy; and
- Statement that all occupants must evacuate from the vacation rental following any evacuation order issued by local, state, or federal authorities

A sample of the form shall be provided with the application, but does not need to be submitted every time the unit is rented.

Vacation rental responsible party.

Each vacation rental must designate a responsible party to respond to routine inspections as well as non-routine complaints and any other problems related to the operation of the vacation rental. The property owner may serve in this capacity or shall otherwise designate another person eighteen (18) years or older to perform the following duties:

- Be available by telephone at listed phone number twenty-four (24) hours per day, seven (7) days per week and capable of handling any issues relating to the operation of the vacation rental;
- If required, be willing and able to come to the vacation rental within two (2) hours following notification from an occupant, the owner, or the Village to address any issues relating to the operation of the vacation rental;
- Maintain a record of all lease or rental agreements for the vacation rental;
- Receive service of any legal notice on behalf of the owners for violation of the requirements set forth in this division; and
- Otherwise monitor the vacation rental to ensure compliance with the requirements set forth in this division.

Other regulations.

Vacation rentals must comply with all other regulations, standards and requirements set forth in the Village Code of Ordinances, including, but not limited to, the requirements of Chapter 4 (Animals and Fowl), Chapter 6 (Buildings and Building Regulations), Chapter 14 (Health and Sanitation), Chapter 15 (Housing), Chapter 18 (Motor Vehicles and Traffic), Chapter 19 (Offenses and Miscellaneous Provisions), and Appendix C (Chapter 45) (Zoning).
